

YOUR RESPONSIBILITY AS A SOUL WINNER

Dr. Rich Denning

- I. Every Believer's Calling (Mark 16:15).
- A. Because God gave **you** someone who cared for you, witnessed to you, prayed for you, preached to you, etc. you should do the same for others (Luke 12:48).
 - B. We are **stewards** of God's grace (I Peter 4:10).
- II. Some Important Considerations:
- A. One may **witness** without attempting to lead a person to Jesus. We should all regularly witness by our words and life. However, to lead a soul to Christ there must be a preparation of their heart by the Holy Spirit; ask the Holy Spirit to give you discernment as to when it is appropriate to pursue this.
 - A. When the **timing** is appropriate these Two questions need to be asked:
 - 1. "Do you know Jesus as your Savior?" - their answer will make you aware of their relationship with the Lord. If they respond with such answers as "I'm a church member," or "I live a good life," etc. then you know they do not understand what it means to be born-again. Then it is appropriate to ask:
 - 2. "If you faced the judgment today, would you have the right to go to Heaven?" Their answer will either clearly demonstrate their lack of interest or their willingness to hear more.

There are several good "Soul-Winning" Methods and programs such as Evangelism Explosion and have been proven effective. It should be noted that the key to effective "Soul-Winning" is being lead by the Holy Spirit and practice, practice, practice.

III. How To Lead A Person, Step-By-Step, To Salvation.

(Note: The following is often referred to as "The Roman Road to Salvation"):

- A. Romans 3:10 - "This, _____ (call their name here), places us all in the same category as the unrighteous."
- B. Romans 3:23 - "This explains our sinfulness and erases any goodness of our own."
- C. Romans 6:23 - "This clearly shows that none of us will get by with sin. The price of sin is death."
- D. Romans 5:8 - "While we were on our way to hell for our sins, God sent Jesus to pay the price, the Guiltless for the guilty, so that we could be saved."
- E. Romans 10:9-10,13 - "God simply invites us to repent of our sins and believe that Jesus' blood provides forgiveness. If you believe, all you must do is ask God to save you and He will."
